## GOSSIP OF SPORT.

Live News of Golf,  
Boating and  
Track.

A competition will be played at Moanalua today under the medal rules of the Honolulu Golf Club. Two prizes will be given for the two best cards returned. Play will commence at 10 o'clock this morning and will continue all day.

The course is said to be in very fair condition and over twenty members are expected to participate in the play. All the local cracks will be a-clubbin' and the course record is in much danger of being demolished.

The Oahu Polo Club will practice today at Moanalua at 2:30 p. m.

Local cricketers and footballers are greatly interested in the approaching visit of H. M. S. Warspite, which left Victoria, B. C., on the 15th inst. The Warspite possesses excellent cricket and football teams, being the champions of the Pacific station at both games.

The Warspite footballers defeated the team of H. M. S. Icarus at the Association game and the latter, it will be remembered, carried too many guns for the local teams. With the arrival of the gunboat both cricket and football will assuredly flourish here for a season, for the chances offered Honolulu teams to meet worthy opponents are, unfortunately, few and far between, and the most is always made of them.

Tomorrow afternoon the League Association football champions will take the field against an eleven of the employed of Theo. Davies and Company. The teams will be as follows:

Scotland—J. C. McGill, R. Anderson, D. W. Anderson, J. Craig, H. Birkmyre, J. L. Cockburn, E. G. Munro, N. Kay, W. Gordie, J. H. Fiddes and J. H. Catton.

Theo. Davies and Company—W. H. Baird, J. Lennox, Donald Ross, P. L'shman, H. B. Sinclair, W. G. Singehurst, B. Claik, A. S. Gould, George Davies, C. Osborne and J. T. Irvine.

The game will be played at Makiki and will commence at 4:30 p. m. promptly, whether the full teams are on the ground or not.

While the Davies and Company firm has always been to the fore in local football, it is the first time it has ever put a football eleven in the field; judging from their line-up, however, they should render a good account of themselves.

W. H. Cornwell, owner of the Hawaiian mare Gartaline, now at the Coast, received word from Tom Williams about his horse, on the Ventura. He says that Gartaline was doing well until six weeks ago, when she went wrong. She will have made her debut ere this, however, and news of her running may be looked for in week or so. Gartaline was allotted 85 pounds in the \$10,000 Burns handicap, to be run this month over a mile and a quarter. The top weight was 126 pounds.

Colonel Cornwell says that when he returns from Australia he may bring a race-horse or two with him. He thinks that Australian horses are better adapted to race in Hawaii than American animals on account of the heavy imports invariably packed on Australian tracks. Here the weight carried are much heavier than is the case in the States.

The boat-racing season will open today with a club race between two Heanani crews made up as follows:

No. 1—Frank Woodbridge, William Lyle, Fred West and Tom Lloyd; coxswain, Harry Steiner ("Little Jim").

No. 2—Alan Walcott, Stokes, Lowell, Tracy; coxswain, "Bill" Osborne.

The race will start at 10 o'clock this morning and will be over a course running from the railroad wharf to the emigration wharf, a distance of about half a mile. The race will be rowed in shells, and promises to be very exciting, as both crews have been in training some time for the event.

The three-cornered race to have been rowed to date has been postponed until tomorrow week on account of the recent bad weather which interfered seriously with training.

Jack Atkinson has received an answer to his enquiries relative to a new shell for the Heanani Club and expects to be authorized to order a new four-oared shell from the Coast by the next mail.

It is reported that the Kahului Boat Club has sent an order to Portland, Oregon, for a four-oared barge and intends to enter a crew in the September regatta, held in Honolulu harbor. There is plenty of first-class rowing material on Maui and a visit from a crew of Mauians would be much appreciated by oarsmen down here.

The Maie Uluia Quintet Club meets at the club house at 7:30 tomorrow evening, and all members are requested to attend.

## THE DAY IN THE DISTRICT COURT

Judge Wilcox hastens Th se  
Who Break the  
Law.

Yesterday morning Kamaliikane was discharged in the District Court for having committed assault and battery on T. P. Spencer.

The trouble grew out of a misunderstanding. It appeared that the Home Rule party made complainant the manager of its organ, the Loea Kalaiala. Then it forgot itself and tendered the same position to defendant. Both gentlemen went to take possession of the managerial sanctum at the same time with the result that the fittest survived and T. P. Spencer scraped an acquaintance with the sidewalk.

Kapuaokina was assessed \$10 and costs for having assaulted F. Walvogel, one of Pain's mule urgers.

Defendant said that he gave complainant a quarter for his fare and waited for twenty cents change. This he alleges the character could not be prevailed upon to disgorge. The following evening defendant again boarded Walvogel's car in quest of his twenty cents and failing to get it, took what he considered a fair equivalent out of the conductor's frame.

"Iroquois" Jacobsen, who has been there before, told Judge Wilcox that it was his first visit to town for a very long time and His Honor let Jacobsen and his jag go with a reprimand.

Kikaha, Kanakau and Oscar, ordinary drunkards, paid the customary fine, with the exception of the latter, who "renigged."

Ah Kiao and thirty-seven ducks were reprimanded and discharged for heedless driving. Defendant said that his horse got frightened at a bunch of firecrackers in commission and ran

away. The arresting officer said that Ah Kiao was drunk and tried to run down a tram-car.

Judge Wilcox told defendant that six months from now he had better take his horse, cart and ducks and get them used to firecrackers before the next Chinese New Year rolled around.

Mrs. C. M. Lucas was reprimanded and discharged for profanity. The whole affair was a neighborly quarrel in which defendant was too profuse in her use of "household words."

Manuel Correa, a small boy, was told by the Judge what happens to little youths who play hooky.

Kapae, charged with larceny in the second degree, was discharged. Defendant, who is an ancient native, was packing home a brick to preserve the family peace with when he was arrested. The judge told him that he was old enough to know better and advised him to walk uprightly for the remainder of his declining years.

Weak  
Men!

NO CURE, NO PAY!

There is one certain way to cure weakness—that is to restore life; one certain way to cure pain—that is to remove its cause.

How far drugs come from this, and how directly the Dr. McLaughlin Electric Belt strikes the mark, is shown by the thousands of cures performed in almost hopeless cases by my wonder-working electric treatment after the failure of all kinds of drug medication.

The reason is, that all pain and weakness result from a loss of organic and nerve strength. That must be restored. Drugs cannot restore it. Electricity can and does when it is applied right. I apply it right.

**DR. McLAUGHLIN'S ELECTRIC BELT**

cures, to stay cured, Nervous Debility, Weakness of any kind, whether in Nerves, Stomach, Heart, Liver or Kidneys. It cures Rheumatism, Pains in Back and Shoulders, Sciatica, Lumbago, Indigestion, Neuralgia, Constipation, Dyspepsia, and all troubles where new life can restore health.

SEND FOR BOOK.

Let me show you the difference between up-to-date appliance and old-style burning electric belts. Let me prove to you why my Belt cures when they fail. Write for my beautiful descriptive book, showing how my Belt is used, and giving hundreds of letters from grateful people. Address.
